the perfect solution to neatly arrange all your accessories and small items

Internal Magnets

to allow a quick opening

Handy Strap

To easily open the case

HprcLight Piccolo

HprcLight Piccolo is a semi-rigid case designed to carry an action camera like GoPro Hero3, Hero3+, Hero4 and others, with their accessories. The case features an intuitive opening system with internal magnets and an external elastic band, to ensure a rapid opening and a safe and easy closing. You can choose between different internal configurations: the special foam to hold an action camera GoPro Hero3, Hero3+ or Hero4 with its LED light by Qudos and related accessories; the customizable cubed foam to suit every need; or the removable transparent pouch.

(Shown products not included).
