plaber®

Our staff is passionate about developing high-quality tailor-made solutions to meet all your requirements.

Plaber is an Italian manufacturer born in 2006 in Bassano del Grappa (Vicenza, Italy).

We manufacture advanced protective hard cases sold under the brand **HPRC | High Performance Resin Cases**. The range is completed by **soft bags** and **flight cases**.

From medical and high-tech to industrial and electronics, military and Government police law enforcement, nautical, imaging and broadcasting, outdoor, and many more, HPRC cases provide total protection to the carried equipment.

Our **OEM department** can offer an uncompromisingly **individual approach** to each customer. Completely new projects or customization of existing products are our flagship.

Looking for the best transportation and protective cases for OEM, B2B and B2C industries? Need to have 360° customizable protective cases, bags and flight cases?

WE HAVE THE RIGHT SOLUTION

MADE IN ITALY

1 CHOOSE A COLOR

Choose your preferred color for the whole case, for the shell or just for some components (handles, wheels, latches, ...)

2 ADD YOUR LOGO

Logo:

- laser
- silk-screen print (colored)
- label

3 CUSTOMIZE THE CASE STRUCTURE

The shell can be tailored made both internally and externally. Customized holes (for connectors, air ventilation, ...) and molded solutions for panels are only a few examples

4 PERSONALIZE THE COVER

Use the lid as a glove compartment: we can make any organizer exactly meeting your needs, in terms of color, size and layout

5 CUSTOMIZE THE INNER LAYOUT

injection inlays milled and water cut sponge hi-visibility inlays

We can create any custom foam interiors to provide the utmost protection for your equipment

6 CREATE YOUR CASE

Case with anti-slip pads on the lid

Our know-how and expertise allow us to meet any customers' requirement, either OEM, B2B or B2C

Handle made of three different materials for best ergonomic performances and design

- 1 - CHOOSE A COLOR
- 2 - ADD YOUR LOGO
- 3 - SPECIFY THE SIZE
- 4 - CUSTOMIZE THE INNER LAYOUT

- 1 - ADD YOUR LOGO
- 2 - SPECIFY THE SIZE
- 3 - CUSTOMIZE THE INNER LAYOUT
